

RSV150 Hepa

RucSac Mains Vacuum

**Enhanced compact design,
benefitting user-comfort and
increasing productivity.**

- ✓ New slimline ergonomic design
- ✓ Lightweight user-comfort
- ✓ Advanced HEPA13 filtration

Numatic

Compact, comfortable and convenient, the RSV150 HEPA goes wherever you go, making it the perfect cleaning solution for tight and awkward cleaning. Combined with our most advanced, certified HEPA13 filtration, providing high-efficiency filtration down to 0.3 microns at 99.97% efficiency.

Providing an extra-long 15m cable and generous 5L dust capacity, there's less stopping to unplug and empty and more time to get the job done. Easily switch between carpets and hard-floors with the high-performance Combi Floor Tool and tackle hard-to-reach areas with the precision cleaning kit.

Ergonomically designed with easy-adjust, posture-correcting harness, breathable mesh panel, handy tool storage and simple, integrated hand control, the RSV150 HEPA provides optimum user-comfort, ensuring less stretching, bending down, twisting and full control at all times.

• Complete Convenience

Compact, comfortable and convenient design for tight and awkward cleaning.

• Quicker Cleaning

Generous 5L capacity and extra-long 15m cable allow for less stopping to unplug and empty.

• Ultimate User Comfort

Ergonomically designed, adjustable harness increases comfort, supports correct posture and reduces fatigue.

• Total Control

Integrated hand control and handy tool storage for quick access on the move.

• What Goes in, Stays in

HepaFlo Bags with innovative self-seal tab lock all the dust in the bag, allowing for easy, clean and hygienic emptying.

• Advanced Filtration

Certified HEPA13 filtration down to 0.3 microns at 99.97% efficiency.

Kit AAT30E

Advanced HEPA13 Filtration

1. Triple-layer HepaFlo Filter Bag

Advanced, 3-stage filtration system cleans and traps fine dust, including allergy triggers and pathogens, eliminating the risk of recirculation and exposure.

2. TriTex Filter

Traps fine dust within its high-efficiency, triple-layer membrane.

3. HEPA13 Filter Cartridge

Certified HEPA13 filtration down to 0.3 microns at 99.97% efficiency. Our most advanced filtration in the Numatic commercial vacuum series.

Features

Breathable mesh panel

Adjustable harness

Integrated hand control
