Finance Solutions That Work For You

Numatic makes it simple to continue and grow your cleaning capabilities with new, best in class cleaning equipment.

By leasing Numatic equipment, you can free-up cash flow in your business and eliminate potential unwanted risks. Our solution concentrates on being effortless and convenient, with maintenance costs included. We ensure that you are supported throughout the process by having our experienced staff recommend the right product for your cleaning tasks, assisting you from selection to the end of your agreement. By deciding to lease a Numatic machine, you're opting for a stress-free solution. We will make the administration of your product seamless, maximising your business performance.

“Maximise business performance with the right equipment to raise cleaning standards and increase productivity levels”

Lease

Equipment at a cost-effective monthly price

- Fixed Payments • Simple Budget • Tax Efficient • Preserve Credit

Leasing has always been a popular choice for businesses looking to acquire new equipment, this means you can have the best equipment on-hand at a more manageable cost.

By having fixed monthly payments for the duration of a contract, you have better control over your budget as you know exactly how much you are paying.

ServiceCare

We believe cleaning floors should be simple, it's about having the right equipment and right support, it really doesn't have to be more complicated than that. Simple cleaning, complete support.
